Wine

All of our wines are sourced from Indiana wineries. By purchasing a glass or bottle, you are not only supporting Mulligan's but other local Indiana businesses.

I THINK RED - EASLY WINERY (INDIANAPOLIS, IN)

\$6.00 | \$21.00

I Think Red is a blend of Merlot and Cabernet Sauvignon that celebrates Bordeaux-style traditional winemaking. Utilizing tight-grain French oak to realize intense aromatics and American oak barrels to increase the tannin structure, the result is an elegant, premium red blend.

CHARDONNAY - TURTLE RUN WINERY (CORYDON, IN)

\$6.00 | \$21.00

A fully complex chardonnay with rich apples and velvety mouthfeel with generous other fruits. Taste and smell the yeast, oak, and everything else a complex chardonnay has to offer.

DOLCE BIANCO - RETIG HILL WINERY (MILAN, IN)

\$5.50 | \$19.00

Dolce Bianco is a blend of Vidal Blanc, Vignoles, and Traminette grapes. These grapes are all grown from their vineyard in Milan, Indiana. It contains notes of apple but is dominated by a sweet honey taste with a medium body and a long pleasant finish.
