

## **CRESTVIEW MEMBERS**

On behalf of Liz and I, I would like to say thanks for another great year at Crestview Golf Club. Although it's been another year with many unknowns, we have managed to navigate through those pretty well and we wouldn't be able to do so without the support of our members. Last year, we implemented a multi-year maintenance plan that will produce better playing conditions for all individuals and healthier turf. Please understand that these projects take time and may occasionally disrupt playing conditions, but will be well worth the wait. I personally cannot remember the golf course playing/looking this good in several years.

As in the past, it is that time of year when we start our membership drive for the upcoming 2022 season. Enclosed, you will find a print-out of the 2022 membership prices and agreement form for you to fill out and return. Please take time and review all the options available. Again this year, there is a 3% savings if you are to pay by cash or check. The savings is off the total amount of the membership. Also note there is a discount if paid in full before November 30<sup>th</sup>.

Lastly, as the weather turns, remember that the golf shop will remain open during normal business hours and will be able to assist you with all of your golfing needs. Mulligan's will be open seven days a week serving breakfast, lunch, and dinner. Please see Crestview's Facebook page and monthly email for upcoming events. If you aren't currently receiving our emails, please make sure to include your email address when filling out your membership agreement form.

Once again, we would like to say thank you for your patronage and we can't wait to see you in 2022!

Thanks,

**Matt & Elizabeth Sauter**
